

Whistleblowing Service

Our **whistleblowing service** is probably the most advanced on offer in Pakistan. It is the only service that offers complete anonymity to the whistleblower – whilst enabling 2-way communication between the organisation and the whistleblower.

The platform is accessible via Tor browser, all files are automatically encrypted and destroyed after a set duration.

Secure and Reliable

Highly Customizable

Easy Case Handling

Strong Anonymity

BENEFITS

Identify Hidden Risks

Financial Fraud

Abuse

Lost Business

Compliance with EU directive on Whistleblowing
